

FFC Connectors

FFC2B17 and FFC2B22

- Ⓞ Cost effective 0.5mm FFC connector solution aimed at selective high pin count applications.
- Ⓞ Both Top and Bottom contact designs feature simple slide lock mechanism.
- Ⓞ Pull force tested to assure connection integrity.
- Ⓞ Compliment with custom FFC cables – utilise GCT's p/n builder to define a custom solution - see <https://gct.co/pnb/basket/ffc>
